

# MILLENNIAL SOCIAL WORK CONFERENCE

## Conference Overview

The Millennial Social Work Conference (MSWC) is a national professional development conference designed for social workers, therapists, mental health professionals, nonprofit leaders, and human service providers. The conference focuses on evidence-informed practice, workforce sustainability, leadership development, and culturally responsive care.

Attendees gain practical tools and strategies that can be applied immediately within their roles and organizations.

Conference Hosted By: Loving Our Community Inc.

Dates: March 11–12, 2027

Location: Atlanta Marriott Marquis, Atlanta, Georgia

Format: In-person

CEUs: 10–12 Continuing Education Units will be provided

## Professional Value to the Organization

Attendance at MSWC supports:

- Continuing education and licensure requirements
- Skill development applicable to clinical, programmatic, and leadership roles
- Improved service delivery and client outcomes
- Workforce development, staff retention, and burnout prevention
- Knowledge sharing through post-conference learning dissemination

To maximize the organization's investment, the attendee is prepared to share key takeaways and applicable resources with colleagues following the conference.

The Millennial Social Work Conference is hosted by Loving Our Community Inc., a nonprofit organization. Registration costs may qualify as a tax-deductible professional development expense. Employers may contact [contact@millennialsocialworkconference.com](mailto:contact@millennialsocialworkconference.com) to request a W-9 or any additional required documentation.
